

Assoc. Prof. Dr. Murat Volkan Dülger

Murat Volkan Dülger, after graduated from İstanbul University Law Faculty in 2000, completed his master studies before İstanbul University Institute of Social Sciences in 2004 and received his master degree with his theses on “Information Technologies Crimes and Cyber Crimes in Turkish Criminal Law”. Dülger, completed his PhD studies before the same institute in 2010 with his theses on “Crimes and Sanctions of Money Laundering”. Lastly Dülger published his academic studies on “The Exclusionary Rule and Fruits of Poisonous Tree Doctrine” for associate professorship.

Dülger, as of 2012, works as an associate professor of Criminal and Criminal Procedural Law in İstanbul Aydın University Faculty of Law. Dulger continues his practice with a special focus on Criminal Law, Criminal Procedure Law, Human Rights Law, Information Technologies Law and Data Protection Law.

Murat Volkan Dülger is still a member and the former head of the Istanbul Bar IT Law Committee which he has been a member and vice president for many years.

Dülger, took a part as a European Council expert in the “Council of Europe, Ministry of Justice, High Council of Judges and Prosecutors and Justice Academy of Turkey” joint project called “Joint Project of Improving Turkish Criminal Justice System’s Effectiveness” and made contribution to the “Cyber Crimes, Investigation and Prosecution” chapter and wrote a “Practical Guide” on this subject. In addition to this, he took a part as an expert in the “Information Society Strategy” study carried out by the Ministry of Development Information Society Department, he also takes part in the “Working Group of Information Technologies and Telecommunication” which is established within “Turkish Industrialists’ and Businessmen’s Association (TÜSİAD)” and he was the president of the sub-group of “Information Technologies Law”. Dulger also took part in various committees for preparing a law and law amendment established by Ministry of Justice Directorate General For Laws.

Dülger gives lectures in İstanbul Bar Criminal Procedural Law Seminars and he gives lectures in Istanbul Bar Internship Training Center. Additionally, he attends various education and certification programs, conferences and seminars as a lecturer.

Murat Volkan Dülger is honored with the prize in Kapani-Savcı Human Rights Study Contest with his article “Freedom of Speech in European Convention on Human Rights” by Aybay Law Researches Foundation, in 2002.

Dülger has numerous articles published in various journals and dedications on criminal law, criminal procedure law, information technologies law, cyber law and human rights law. He also published six books named “Personal Data Protection Law”, “The Exclusionary Rule and Fruits of Poisonous Tree Doctrine”, “Cyber Crimes and Internet Telecommunication Law”, “Cybercrimes, Investigations and Trials for Cybercrimes and Internet Telecommunication Law”, “Crimes and Sanctions of Money Laundering” and “Cyber Crimes”. He is also the co-author of the report of “Evaluation of the prevention of internet access from the view of various law disciplines” published by TÜSİAD. Apart from that he is also the co-author of “*The Art Collecting Legal Handbook*” and “*Trade Mark Litigation*” published in English abroad.

Dulger is a registered lawyer in Istanbul Bar as of 2001.
